

*You work long and hard for a good retirement.  
Wouldn't you want a say in how your retirement is secured?*

**You can** - if you join the CPF Board's Policy Department. The Policy Department proactively reviews and develops CPF policies so that Singaporeans can accumulate adequate CPF savings for their retirement, housing and healthcare needs.

We are looking for motivated and self-driven individuals who are keen to help shape Singapore's retirement policies.

You must be bright, analytical and possess a keen interest in social security matters. Your flair for research will see you formulating CPF policies. At the same time, you will co-ordinate policy changes in a dynamic environment.

You must possess the following qualities and qualifications:

- \* A good Honours degree.
- \* Relevant experience in policy work will be an advantage.
- \* Able to handle both qualitative and quantitative issues and data.
- \* Strong organisational, interpersonal, written and presentation skills.

**Think you fit the bill?**
